TOUR OF SCOTLAND

For decades, while performing all around the United States, the 42nd band has dreamed of traveling to and performing in Scotland. In the years leading up to and following the release of "No Matter What the Season", the band's marching and musicianship had improved to the point where, in 2011 - following the sale of the Griffin House and creation of the Griffin Endowment - the men of the 42nd finally set a goal to reach Scotland in 2013.

Since setting the goal to reach Scotland, the band has redoubled its efforts in many areas: maintaining and improving uniforms, acquiring matched chanters to improve the sound of the pipes, repainting drums, upgrading the Regimental Colors, arranging new sets of music, working on marching, drill, and deportment, and developing a fundraising plan to make it all possible - primarily centered around playing for the public as much as possible.

To reach Scotland, the 42nd has partnered with Music Travel Consultants - an Indianapolis company that specializes in travel of musical organizations, and works with top bands like Lafayette Jefferson, Avon, Carmel, North Central, and the Purdue "All-American" Marching Band.

The trip is scheduled for 7 days in Scotland, from June 19-27, 2013, (9 days including travel) and will feature the following destinations in the box below:

- Stirling Castle
- Edinburgh and Edinburgh Castle, including National War Museum
- The Royal Scots Museum
- Balhousie Castle, Perth, headquarters and museum of the Black Watch
- A tour of the Blair Athol whisky distillery, Pitlochry
- Culloden Battlefield
- 18th Century Fort George, Inverness
- Free time in Glasgow

The band is tentatively scheduled to perform at Edinburgh Castle, the Museum of the Black Watch in Perth, the Royal Highland Show, and Fort George, Inverness.

Friends of the 42nd are welcome to join us on the tour - contact us at scotland@42ndRHR.org for details on signing up, or visit the web site below.

If you can't attend, please consider a tax-deductible donation toward the expenses of the tour - your annual contribution to the 42nd (page 7) can be designated toward the tour. Every contribution goes a long way!

THE BAND OF MUSIC

Much of 2011-2012's activities centered around fundraising for the 2013 Scotland trip - and the band was the most active it's been in recent memory. 2012's schedule totals over 20 performances!

During the summer of 2011, the 42nd moved into new headquarters at the office of the West Lafayette Clinic for Preventative Medicine. Thanks to Dr. Lon Kaminsky for arranging the space for the band - it's a true blessing to have a dedicated site to meet and rehearse.

New Band Hall

As part of our fund-raising plan for the Scotland trip, the band spent the 2011-2012 season operating concession stands at Purdue University basketball games. If you're basketball ticket holders, please look for the band's concession stand during the 2012-2013 season and get your in-game refreshments from us!

42nd, Tippecanoe, and Great River at Fort Massac October 2011

In 2014, PBS will air Oscar-nominated and Emmy award-winning filmmaker Ken Burns' documentary *The Roosevelts*, telling the story of Theodore, Franklin, and Eleanor Roosevelt. The 42nd is honored to be a part of this project, which is using music from our CD "No Matter What the Season" for scenes depicting FDR and Eleanor's 1905 wedding.

We were also honored to be the subject of an excellent write-up about the band, our cultural activities, and the organization's history in the August issue of *Lafayette Magazine*!

The band has been actively recruiting and training new performers in 2011-2012: Piper Doug Weaver has been performing since September 2011, and fifer Andrew Wintz joined the band during the winter after growing up in the Tippecanoe Fife and Drum Corps, where he continues to play today. Lloyd Weaver joined the band's color guard during spring 2012, and this year's recruits are working hard on their instruments with the aim of taking the field this fall: Piper Chris Spreen; and drummers Schuyler Toth, Jonathon Micon, and Dan Ryan.

As the fall 2011 season approached, the band brushed up on the 2011 show with a concert dubbed "No Matter What the Reason", hosted at O'Bryan's Nine Irish Brothers. September and October saw the band visit long-standing events at the Trail of Courage in Rochester, the Feast of the Hunter's Moon, Mississinewa 1812, and Fort Massac.

In October, the band was hired to record several bagpipe favorites and an original tune for Plank Road Publishing's Music-K8 magazine, a publication for K-8 music educators. The band was featured on a CD and accompanying books for a unit on the bagpipes, and also recorded online video materials about the pipes, fifes, and drums. Visit the 42nd's YouTube channel to view the videos from the session.

Purdue Halftime performance, December 31, 2011

In November of 2011, the band traveled to Fort Toulouse, an 18th century French outpost in Wetumpka, AL - near Montgomery. The band performed for three days, including a very large education day, where we presented to 4000 students who spent their day on the grounds.

At 11:11 on November 11, 2011, Yankee Drummer Jim Smith led drummers, pipers, and fifers from the 42nd, Tippecanoe, Voyaguers, the Colonial Williamsburg Drums & Fifes, and other drummers attending the 2011 Percussive Arts Society conference in a ceremony to honor Revolutionary War Drummer John George at his Indianapolis graveside.

"No Matter What the Reason" concert

On New Year's Eve 2011, the band was honored to perform a halftime show at the Purdue vs Illinois men's basketball game, in front of 14,000 spectators. It was the first time we've ever done such a visible performance - even the most seasoned band members reported quite a rush marching out that tunnel into the arena floor!

Freezer Jam 2012 was held in February in one of the band's frequent sites: St Charles, MO. Not only did 42nd fifers and drummers participate in the annual gathering of midwestern fifers and drummers, but pipers once again benefitted from instruction from a world-class piper: this year with St Louis' Matt Pantaleoni.

As the St Patrick's Day season approached, the band was very busy around Indiana - beginning with a performance opening the March Lafayette, IN Hoot Night - a monthly local music feature held at the Lafayette Brewing Company. The band kicked off the evening, sharing a bill with 4 other local musical acts ranging from acoustic to hard rock. The St Patrick's Day season continued on March 16, when the band performed at the Indianapolis St Patrick's Day parade, joined our friends from Highland Reign playing a set in the parade's tent party, and finished the evening with pub performances all around downtown Indianapolis. The pub performances continued in Lafayette on the 17th - beginning with the annual parade at

Plank Road Publishing Recording Session (Oct 2011)

the Myers pedestrian bridge, and culminating with a total of 12 additional pub performances as the night went on.

In April, the band visited St Charles, MO for the second time in the spring for the Missouri Tartan Days festival. Despite torrential rains and a nearly flooded park, the band performed throughout the weekend, and even won a prize in an informal pipe, drum, and “another instrument” contest with the St Louis Caledonain pipe band.

In April, members of the band gave back to the community, performing at the Boiler FOOLS firefighter’s ball, a memorial service for fallen Troopers at the Lafayette State Police post, and at area Relay for Life cancer fund-raiser events. Also in April, the 42nd contributed recipes for Cock-a-Leekie soup for a “community foodways” project being curated at the West Lafayette Public Library. Traditional Arts Indiana from Bloomington also interviewed the 42nd in April. TAI documents and promotes various traditional arts and practices around the state, and for the 42nd’s contribution discussed Scottish heritage in Indiana, as well as the musical aspects of the 42nd Highlanders band.

In early May, the band paraded down Main Street Lafayette to kick off the monthly “Mosey Down Main Street” street festival, the first time for such a performance, which was well received by the Mosey audience. While on Main, the band played the 2012 field show, played for patrons in Main Street businesses, and distributed materials and CDs to while mingling with passers-by.

May 2012 took the band to St. Charles, MO, for the annual Lewis and Clark Heritage Days, and to Fort DeChartres in June, in Prairie du Rocher, IL, a site where the 42nd actually traveled to take possession from the French in 1765. Normally Fort DeChartres is subject to 100-degree temperatures, but 2012’s weather was wonderful for June, which drew what appeared to be record-sized crowds.

In June 2012, the band performed with 15 other corps from around the country at the National Fife and Drum Muster that was held in Monroe, Michigan - the River Raisin Muster earning the designation this year. This is the first time the national muster has ever been held this far west. Congratulations to our friends from the First Michigan Colonial Fife and Drum Corps for hosting such a successful muster!

On July 7, the 42nd was honored to perform in Monticello for the annual 4th of July boat parade honoring veterans. The band played the national anthem and Amazing Grace for the veterans’ ceremony, and performed for passengers while underway cruising Lake Freeman on the Madam Carroll.

New bass drummer Schuyler Toth was awarded the Roy Watrous Scholarship and attended the Company of Fifers and Drummers’ Junior fife and drum camp held in Connecticut before July’s Deep River Muster. Congratulations to Schuyler!

In August the band took its first trip to Mackinaw City, MI, performing at the Rendezvous and 18th Century Trade Fair on August 4-5. While performing in Mackinaw, the band was the featured act at the monthly “Music in Mackinaw” concert, held in Conkling Heritage Park.

Coming up in the rest of the 2012 season, the band will perform at regular sites Mississinewa 1812, the Feast of the Hunter’s Moon, and Fort Massac. New this year, the band will play for the first time at Kohkohmah and Foster near Russiaville, IN, an event which we’re very excited to attend. Finally, in November, we hope to return to Alabama Frontier Days in Wetumpka, AL.

Lastly, it’s been nearly 3 years since “No Matter What the Season” was recorded at Purdue’s Elliot Hall of Music - and the band will return to the stage at Elliot this year to record all new material for our 3rd CD in preparation for the Tour of Scotland. Watch the newsletter, web site, or social media for information about the new project’s progress and release date.

PROGRAMS AND EVENTS

BURNS SUPPER

The 2012 Robert Burns Supper was held on January 28, 2012, at the Trails Banquet Facility in West Lafayette. For the fourth year, the staff at the Trails again provided excellent food and service for the event, and this year's event had over 250 patrons in attendance, over 50 of which were first-time attendees.

The 2012 supper again featured the music of the 42nd Royal Highlanders band of music, dancing led by The Whole 9 Yards, and music throughout the evening performed by Traveler's Dream. Speakers included Isobel Miller's always rousing address to the Haggis, and a poignant Immortal Memory presented by Christopher Layer. Scott Mandrell delivered the Toast to the Lassies, with Kate Hughes responding on behalf of the Lassies.

In 2012, due to heavy demand, we found ourselves unable to seat several walk-up customers, so please remember to buy your seats in advance for 2013!

Save the date for next year - the 2013 Supper is already set for January 26, 2013 at the Trails.

THE BLACK WATCH CONCERT

As part of their 2013 North American tour, the Pipes and Drums of the Black Watch and the Band of the Scots Guards will appear on February 13, 2013 at the Palladium at Carmel, Indiana's Center for the Performing Arts. The pipes and drums of the Black Watch are the modern-day incarnation of the 18th century pipes, fifes, and drums that the 42nd Royal Highlanders have proudly portrayed since 1975.

A group seating block is already reserved - rather than attending the concert on your own, join the 42nd and friends for a unique experience to see the Black Watch, live in central Indiana. A portion of your ticket purchase will support the 42nd and the upcoming 2013 Tour of Scotland.

Watch the web site or Facebook page for details!

GOLF OUTING

On July 21st, the 42nd hosted its 3rd Annual Scottish Open golf outing, held at the Ravines golf course in West Lafayette. 54 golfers took to the course for a day of fellowship and competition - with the added bonus of supporting the programs of the 42nd. The event has grown steadily in just 3 years, adding 16 players each successive year! This year's outing supports the 2013 Tour of Scotland.

Despite this July's oppressive heat, we were fortunate to have comfortable temperatures only in the 80s the day of the outing and many of the golfers kept with the Scottish spirit of the game and played their round in their kilt (right), or even knickers, in some cases!

The event was made possible through the generous support of many sponsors and donors of prizes for the event. Thank you for your generosity - the event wouldn't be possible without your support!

EDUCATION AND OUTREACH

BJ McAllister presenting to students at Fort Toulouse, Alabama

In 2011-2012, the 42nd continued to work toward its mission of contributing to education in music and Scottish culture. At the 2010 Feast of the Hunter's Moon, 42nd band members again participated in the annual programming for area 4th graders the day before the Feast - teaching students about the American Revolution, the music of the pipes, fifes, and drums, and Scotland. The band traveled a day early to Wetumpka, AL to present to students from all around southern Alabama and northern Florida. Friday's student attendance was estimated at 4,000!

At the 2012 Freezer Jam fife and drum conference in St Charles, MO, drummer BJ McAllister instructed drummers from all over the midwest in novice and advanced snare drumming.

And finally, many 42nd pipers and drummers are currently involved with private instruction with new students. Drum major Preston Smith and drummer BJ McAllister instruct drummers for the Voyager

THE WHOLE 9 YARDS

Reported by Isobel Miller

The Whole Nine Yards are still dancing every Thursday evening at Morton Community Center, as we've done for the past 16 years. I've lost count of the number of people who've been through the Beginner Class sessions. At one time or another, many of these beginners have joined "The Whole Nine Yards" and danced with us till they moved away from the area or found their spare time taken up with family or other interests. Our numbers keep changing but we usually manage a core of 10-16 regular dancers every week.

This past year, "The Whole Nine Yards" danced at the annual Burns Supper, sponsored by the 42nd Royal Highlanders. We really enjoy this experience as we combine our favorite dancing with our annual taste of haggis. We also performed at the "Feast of the Hunter's Moon", accompanied by members of the 42nd. The sound of the bagpipes certainly drew people to our area to watch us perform. We actually recruited two new members to our group from patrons at the Feast. They watched us dance, then signed up for the class and will be dancing with us at the Feast this year.

Speaking about class, we will have a new four week Beginner Class starting on Thursday October 4th from 7:00 - 8:30pm. If you'd like to join us, register at the West Lafayette Parks and Recreation Dept in City Hall or at Morton Community Centre. If you want more information, please call me at 463-0608 and I'll be glad to convince you that Scottish Country dancing is great exercise but even greater fun.

MERCHANDISE

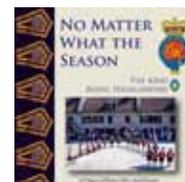

We recognize that supporters of the 42nd want to show their Highlander spirit wherever they go, and to meet this need, the 42nd's merchandising efforts have picked up the pace!

Men's and Women's 42nd Highlander Jerseys

Most importantly, the 42nd has copies of our 2010 CD recording "No Matter What the Season" available for purchase! If you don't yet have your copy, you can find it at many stores around Lafayette, or order a physical copy online at 42ndRHR.org, or get a digital download from either iTunes or Amazon MP3.

To raise funds for the 2013 Tour of Scotland, the 42nd is pleased to sell men's and women's T-shirts featuring the 42nd regimental seal, and band hat badge superimposed on a map of Scotland. And as the weather begins to cool, it's a perfect time to order an embroidered Columbia jacket featuring a handsome 42nd logo. They make excellent gifts! All are available online at the address below.

Finally, at Feast 2011, we introduced new 42nd ceramic mugs. Many Feast-goers have enjoyed their 42nd pewter mug and have asked when we might have more. Bring it to the Forfar Bridie booth and get your spiced tea in your own reusable mug!

Order online or visit us at the Forfar Bridie booth at the Feast to get your mug!

THE THOMAS GRIFFIN ENDOWMENT

In 2011, the 42nd Royal Highlanders established the Thomas Griffin Endowment for the 42nd Royal Highlanders, created with the proceeds from the sale of the house left to the 42nd in his memory.

Managed by the Community Foundation of Greater Lafayette, the Thomas Griffin Endowment is managed together with funds of 121 other Lafayette-area charitable and arts organizations, including the Art Museum of Greater Lafayette, the Bach Chorale Singers, Tippecanoe County Historical Association, Tippecanoe Arts Federation, Civic Theater, and the Lafayette Symphony Orchestra. A community foundation is a tax-exempt public charity that enables people to establish charitable

funds, generally in the form of named endowments. Funds are accounted for separately, commingled for investment purposes, and managed professionally. Grants are awarded from fund earnings to support local nonprofit organizations, in accordance with the donors' interests. For more information, visit the Community Foundation of Greater Lafayette online at cflaf.org.

Endowment Salute - October 2, 2012

Contact us at info@42ndRHR.org for more information!

The Thomas Griffin Endowment for the 42nd Royal Highlanders provides recurring operating support to the programs of the 42nd Royal Highlanders. To support the 42nd for the long-term, the principal of the Endowment remains invested and is left to grow, with proceeds only disbursed to provide stable, predictable, annual support to the programs of the 42nd Royal Highlanders.

The 42nd will receive an annual payout each year to help pay for items such as musical instruction, uniforms, instruments, performance expenses, or to fund the Scottish cultural programming that we sponsor. We are very excited about this new tool that we can use to build the 42nd's capacity for delivering programs. If you are interested in supporting the endowment, it is open to receive individual contributions - simply designate "Endowment" on the form on page 7, or contribute online at www.42ndRHR.org/endowment.php.

Contact us at burns@42ndRHR.org or (765) 237-XLII.
- For supporters who enjoy the Feast of the Hunter's Moon, the Forfar Bridie booth is an excellent way to participate. The booth is the 42nd's major fund-raiser, and is staffed entirely by volunteers. In return for their time, volunteers receive a button good for admission the entire weekend of the Feast! To schedule a shift, contact us at feast@42ndRHR.org or (765) 314-3270.
